

CONTENT PRODUCTION INTERN (m/w) at EDU

About us

EDU is a brand of Digital Education Holdings Ltd. (DEH), a private institution of higher education with a vision to substantially increase the quality and accessibility of education.

In line with the United Nation's Fourth Sustainable Development Goal, EDU focuses on social impact for higher education by boosting societal participation, lowering barriers to formal education and addressing the capacity constraints to higher education in developing countries.

We are a young company with a team of passionate founders and leadership with broad experience across the fields of education, technology and international relations. With a rich partner ecosystem, we are building degree programmes that rely on European traditions, instilling in our graduates a strong sense of responsibility.

If you share our commitment in shaping the future of education, we invite you to join us on this journey.

Who we're looking for

- A motivated individual with a passion for global challenges, innovation and digital learning
- A strong communicator who strives for implementation and is a fast thinker
- Fluency in English with strong writing skills. (German or other languages are a plus!)
- Vision for educational content
- An interest in and basic knowledge of digital technologies
- Ability to use Word, Powerpoint and Excel with precision
- Currently enrolled in university!

What will you do

- Work directly with the Content Production Lead to support in making key decisions on style and format of programme learning material in conjunction with the client or programme partner.
- Supporting in the management, scheduling, and execution of filming and video post-production processes.
- Supporting in the writing and editing of programme concept papers, learning materials, and related copy.
- Supporting in content archiving and programme documentation.
- Supporting in establishing best practices and processes in content production.

What we offer

- Being a vital part of building up an innovative social business
- Personalized learning plan in line with your goals, with weekly and monthly check-ins and feedback
- Opportunity to do meaningful work from day one, and gather first-hand experience and insights across departments
- Work closely with experienced professionals at the top of their industries
