

EDU - Lecturer in Neurology (remote)

(m/w/d)

Employment Type: Freelance

About us

Founded in June 2018, EDU is operated by Digital Education Holdings Ltd. (DEH), a private Higher Education Institution with a vision to increase the quality and accessibility of education.

In a world where technology is re-shaping the way we study and live, we want to harness technology as a tool to support continuous lifelong learning. Our aim at EDU is to make high quality education accessible to anyone in the world who is passionate about studying.

We are a dedicated team with a broad background in Medicine, Education and Technology. Our team has a proven track record of successfully building online learning platforms. EDU Medical is the first medical study course globally using a blended learning approach and the first digital-native Higher Education Institution in Europe!

Our students are taught using evidence-based didactic methodologies in conjunction with synchronous learning in small groups and personalised support from medical experts, tutors and mentors. This is supported by latest digital learning technologies.

To ramp-up our growth, we are looking for a Lecturer in Neurology, based in our office in Berlin/Bonn/Cologne or anywhere worldwide, given that the lectures are in Central European Times.
