Dear Students,

As most of you are aware, EDU is currently in the process of setting up its self-governance structures. Today, we kindly want to inform you that the EDU Assessment Committee has been formally established and took up its work.

The task of the EDU Assessment Committee is to monitor the adherence to the assessment regulations, ensure the proper conduct of each assessment and serves as body to resolve objections and complains as outlined in the “Student Assessment Regulation”.

The EDU Assessment Committee consists of 5 members and the Dean of the Faculty (Prof. Dr. med. Wolfgang Buhre) as Chairman. Permanent Members of the Assessment Committee are the Pro-Dean of Education (represented by Dr. Hana Hybasek Dzurikova, MRCVS) and the Chief Student Affairs Officer (Tobias Dietrich) in his role as Chief Proctor of EDU. Two further members (Iveta Hlinkova, PhD and Prof. Dr. Heidrun Lewald, MD) are from the academic substructure and have been appointed by the Dean and the Rector. Furthermore, one student representative (Coco Barbara Sandtner) has been elected by the Student Council. Her deputy is Christopher Dietmar Loitz.

The EDU Assessment Committee currently meets each first Friday of the month and students can reach the Committee using the following email address: [assessment.committee@edu.edu.mt](mailto:assessment.committee@edu.edu.mt)
